19th October – 9.00 a.m. Holy Communion

For all other services see the Service Pattern at back of magazine.

Sponsored Cycle Ride

The Suffolk Historic Churches sponsored cycle ride took place on the 13th September in lovely weather. We were pleased to welcome 21 cyclists and 2 walkers.

This event raises in excess of £200K and the monies is distributed to churches for repairs. We have been lucky enough to have been supported twice financially.

The Red Lion Roar!

As some of you know, I was unexpectedly admitted to Ipswich Hospital, and then to Papworth Hospital in June. Tests showed that I needed an Aortic and Mitral valve replacement, which took place in late July. The two hospitals were absolutely wonderful, and I appreciated their care and expertise. The surgical team at Papworth, were fantastic. Without my lady surgeon, I would not be here and for that I have been very humbled! To be absolutely frank, I am a very lucky lady.

My recovery is going well, and so far, they say I'm doing well...thankfully.

At The Red Lion, during the time I was away, we had Jamie Spence who brought his rescue and rehabilitated birds of prey, which were displayed, including a Finnish Goshawk called Puddin, which rescue was sponsored by The Red Lion.

We also had The Boudicca Border Morris Men (and women) to entertain everyone. They will be entertaining us all again shortly.

We will be opening our kitchens for food sales within the next couple of weeks....you will probably here the cheers (especially from me) when we do! The kitchen have took longer than anticipated, as we had several tradesmen let us down, until a local builder stepped in to help.

During November we will be holding several "Door Wreath", making workshops by Leanna (qualified florist) on an afternoon and evening. You will be shown how to construct your wreath. All your materials will be supplied for you, so you just need to bring your enthusiasm and an artist eye with you. Tickets will be available. Friday 21st November 2pm workshop, and a 6pm workshop. Saturday 29th November 2pm workshop, and a 6pm workshop.

Refreshments will be served, as well as ALL your materials in a ticket price of £50 per wreath /person.

We plan to have a Christmas Tombola (a bingo with prizes) in December, and another one of our very successful Quiz nights too.

Of course **Dolly's Pizza's** Thursday 16th October 5pm - 8pm and **The Real Thai Food Truck** Thursday 30th October 5pm - 8pm will still be coming here even when the kitchens are operational.

We will be holding a Halloween Evening on Friday, 31st October, with a competition of the best fancy dress (optional), and best carved Pumpkin.

We are looking forward to some creative images coming through to doors (or walls!)

Keep an eye on what we have going on here at The Red Lion, on WhatsApp and Facebook (Red Lion Great Bricett) between now and the New Year, as the activities will be changing on a regular

basis as we wouldn't want you to miss anything.
Best Wishes Frances and Danny x
