

Speedwatch Report

A short report! The same stalwarts continue to do Speedwatch when time and the weather permits. Thanks to them: Bill Dewick and Lesley Jefferson.

During the year we had a visit from one of the Community Speedwatch Team to assess all the sites we can use from a safety and visibility perspective. The sites now have a What3words code. One site was removed from our list and another added.

The Community Speedwatch Team have update and streamlined the reporting system, this is completed on an Excel Spreadsheet which is compatible with the new system. We get regular monthly reports for all areas in Suffolk to give an overall picture.
