2. Governance, Standing Orders, Financial Regulations and other Regulatory matters (examination of Standing Orders, Financial Regulations, Code of Conduct, Formal Policies and Procedures, Tenders where relevant. Acting within the legal framework, including Data Protection legislation).

2.1 The Annual Parish Council meeting took place on 13 May 2025. The first item of business was the Election of a Chair, as required by the Local Government Act 1972. The appointment of representatives to outside bodies was made by the Council.

2.2 Standing Orders are in place and were approved and adopted by the Council at its meeting on 13 May 2025 and are in accordance with the latest guidance issued by the National Association of Local Councils (NALC). A copy has been published on the Council's website.

2.3 Financial Regulations are in place. They are based on the latest model Financial Regulations published by NALC and were reviewed and adopted by the Council at its meeting on 10 March 2026. A copy has been published on the Council's website.

2.4 The Council continued to apply the General Power of Competence (GPOC). At its meeting on 9 May 2023 the Council declared that it was an eligible Council to use the GPOC, having at least two-thirds elected Councillors and a suitably qualified Clerk and adoption of the Power was agreed (Minute GB19/23/24 refers). The GPOC remains valid until the Annual Meeting following the next Ordinary Election in May 2027.

2.5 The Council's Minutes are well presented and provide clear evidence of the decisions taken by the Council. Each page of the Minutes is signed/initialled by the Chair of the meeting at which the Minutes are approved.

2.6 The Council has a Responsible Financial Officer (RFO) in place. Mrs Jennie Blackburn was appointed as Clerk and RFO at the meeting held on 17 April 2018 (Minute GB06/18/19 refers).

2.7 The Council is registered with the Information Commissioner's Office (ICO) as a Fee Payer/Data Controller for the provision of council services (Registration ZA048090, expiring 29 May 2026). The Council adopted a Data Protection and Security Policy and a Document Retention Policy at its meeting on 24 March 2025 to assist in meeting the requirements of the General Data Protection Regulations (GDPR).

2.8 At the meeting on 10 May 2022 the Council adopted the Local Government Association (LGA) Model Councillor Code of Conduct which details the requirements and responsibilities placed upon each individual Councillor. A copy of the Code is published on the Council's website.

2.9 The Council demonstrates good practice by adopting and maintaining a range of formal Policies, Procedures and Protocols including a Safeguarding Policy, Health and Safety Policy, Complaints Procedure Policy and an Equal Opportunities Policy (all of which were reviewed and approved by the Council at its meeting on 10 March 2026).

2.10 The Council also has a Freedom of Information Policy and a Publication Scheme to assist compliance with Freedom of Information (FOI) legislation. The documents were reviewed and approved by the Council on 10 March 2026.

2.11 The documents have been published on the Council's webpage: <https://greatbricett-pc.gov.uk/parish-council/policies/>

2.12 A new Assertion 10 in the Annual Governance Statement (AGS) of the AGAR 2025/26 requires local councils to formally declare their compliance with digital and data governance standards. The SAPPP Practitioners' Guide provides the following instruction regarding Assertion 10 - Digital and Data Compliance, at item 1.47 et seq.:

'To warrant a positive response to this assertion, the authority needs to have taken the following actions:

- a) *Email management - Every authority must have a generic email account hosted on an authority owned domain, for example clerk@abcparishcouncil.gov.uk or clerk@abcparishcouncil.org.uk.*
- b) *All smaller authorities (excluding parish meetings) must meet legal requirements for all existing websites regardless of what domain is being used.*
- c) *All websites must meet the Web Content Accessibility Guidelines 2.2 AA and the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (where applicable).*
- d) *All websites must include published documentation as specified in the Freedom of Information Act 2000 and the Transparency code for smaller authorities (where applicable).*
- e) *All smaller authorities, including parish meetings, must follow both the General Data Protection Regulation (GDPR) 2016 and the Data Protection Act (DPA) 2018.*
- f) *All smaller authorities, including parish meetings, must process personal data with care and in line with the principles of data protection.*
- g) *The DPA 2018 supplements the GDPR and classifies an authority as both a Data Controller and a Data Processor.*
- h) *All smaller authorities (excluding parish meetings) must also have an IT policy. This explains how everyone - clerks, members and other staff - should conduct authority business in a secure and legal way when using IT equipment and software. This relates to the use of authority-owned and personal equipment.'*

2.13 The Clerk/RFO has confirmed and provided evidence to the Internal Auditor that the above requirements have been met and the Council is able to provide positive affirmation to Assertion 10 in the AGS. The Council has demonstrated proper governance of their digital presence, including using an authority-owned domain for emails and complying with the latest website accessibility standards as far as practicably possible:

- a) The Council agreed on 11 November 2025 that a gov.uk domain be set up for the website and the Clerk/RFO's email address.
- b) The Council's website host tested against WCAG 2.2AA to ensure site compliance in November 2024.
- c) An IT Policy was adopted at the meeting on 13 January 2026.
- d) Appropriate Data Protection and Freedom of Information policies and procedures are in place.

2.14 At an Extraordinary Meeting on 19 June 2025, the Council discussed the purchase of a 0.6-acre meadow in the village. The Council and the members of the public agreed that the land would be a huge asset to the village, enabling it to be used for extra parking for Village Hall and Church events and potentially used in the future to locate a new Village Hall should one be required. A representative from the Village Hall Management Committee (VHMC) reported that they would be able to donate towards the purchase by way of £10,000. The Clerk reported that the CIL Fund balance was £45,564.82 but some money needed to be held back for legal costs should the bid be successful. The Council felt that £40,000 was an appropriate amount and, with the VHMC's donation of £10,000, agreed to put forward a total bid of £50,000.

2.15 At the meeting on 22 July 2025 the Council noted that the Council had been successful in their bid of £50,000 to purchase the meadow in the village. The meadow would be used for extra parking for events at the church or village hall and would be a significant asset for the village. A £10,000 donation was received from the Village Hall Management Committee on 27 August 2025. Payment for the land purchase and the related legal costs was made on 5 February 2026.

3. Accounting Procedures and Proper Book-keeping (*examination of entries in the Cashbook, regular reconciliations, supporting vouchers, invoices and receipts and VAT accounting*).

A sample of transactions was closely examined and was found to be in order with supporting invoices/vouchers in place.

3.2 VAT payments are tracked and identified within the Cashbook Spreadsheets to assist re-claims to HMRC. 6.2 The Council accordingly complied with Regulation 4 of the Accounts and Audit Regulations 2015 which requires a review by the Full Council at least once a year of the effectiveness of the Council's system of internal control, including the arrangements for management of risk, with the review suitably Minuted.
